ORDINANCE NO. 16-02-01-01

AN ORDINANCE REGARDING SEIZURE AND IMPOUNDMENT OF VEHICLES
AND THE METHOD OF SELECTION AND APPROVAL OF TOWING SERVICES
TO BE USED BY THE VILLAGE OF NORTH AURORA

WHEREAS, the Village of North Aurora previously maintained a list of approved and authorized towing services to provide towing services at the request of the Village of North Aurora or the Village of North Aurora Police Department; and

WHEREAS, the list of towing services no longer contains a sufficient number of approved towing services; and

WHEREAS, the Village of North Aurora desires to create a fair and transparent process for the selection and approval of towing services to be used by the Village of North Aurora on a rotating basis.

NOW, THEREFORE, BE IT ORDAINED by the President and Board of Trustees of the Village of North Aurora, Kane County, Illinois, as follows:

SECTION 1 The recitals set forth above are adopted and incorporated herein as the material and significant findings of the President and the Board of Trustees as if fully stated herein.

SECTION 2 Title 8 (Health and Safety) Chapter 8.04 (Abandoned Vehicles) Section 8.40.200 is hereby repealed.

SECTION 3 Title 9 (Peace, Morals and Welfare) is hereby amended by adding Chapter 9.40 (Seizure and Impoundment of Vehicles) as follows:

Chapter 9.40 - Seizure and Impoundment of Vehicles

9.40.010 - Definitions.

The following words, terms and phrases, when used in this Chapter, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Lienholder of record is any person having a lawfully recorded lien on a vehicle as registered with the Illinois Secretary of State.

Owner of record of a vehicle is the record title holder as registered with the Illinois Secretary of State.

Tow truck means a motor vehicle which has been altered or designed and equipped for and exclusively used in the business of towing vehicles by means of a crane, tow bar, tow line or dolly, or is otherwise exclusively used to render assistance to other vehicles.

Towing service means an company or provider whose primary business is the provision of tow truck services in response to a dispatch or request from the Police Department or any other municipal department.

Truck means any truck weighing over ten thousand (10,000) pounds.

9.40.020 - Purpose and intent.

It is the intent of this Chapter to prescribe the basic regulations for the operation of tow trucks in the removal of motor vehicles and trailers which as a result of an arrest are left on a public right-of-way, private parking lots, roadways, driveways (or similar locations) or which are illegally parked, abandoned, constitute an obstruction to traffic or snow removal operations, or constitute a public nuisance. It is the purpose of the Village board in enacting this Chapter to provide a fair and impartial means of distributing Village requests for towing services among qualified services, and to ensure that such services are prompt and are provided in the best interest of the public, as well as the interest of efficient removal of such vehicles. In enacting this Chapter, it is not the purpose of the board to regulate towing services other than those dispatched or requested by Village personnel.

9.40.030 - Roster.

All towing services selected and designated to provide towing services under this Chapter shall be listed on a roster to be kept by the Police Department. The roster of towing services shall, at all reasonable times, be open to public inspection. The maximum number of towing services on said roster shall not exceed six firms at any one time. The roster of towing services shall be effective for a period of two years commencing February 1, 2016.

9.40.040 - Eligibility.

A towing service shall become eligible to be listed on the roster and participate in the assignment of service calls by the Police Department if it meets the requirements set forth in this Chapter. No person or towing service shall be placed on the roster or operate a tow truck on tow roster calls if that person or towing service has been convicted under the laws of Illinois or any other state of an offense which under the laws of Illinois would be a felony theft of a vehicle or a felony offense under Article 1, Chapter 4 of the Illinois Vehicle Code, or has been fined by the Illinois Commerce Commission.

9.40.130 - Preliminary and full hearing.

VILLAGE OF NORTH AURORA

- A. Hearing Officer. The Police Chief shall designate from time to time a person within the Police Department as a preliminary hearing officer and an attorney licensed to practice law in the State for at least a minimum of three (3) prior years as the Hearing Officer.
- B. Preliminary Hearing. Within 24 hours of any vehicle being seized and impounded pursuant to this Chapter, if requested by any owner of record, lessee, or any lienholder of record, the Preliminary Hearing Officer shall allow for preliminary hearing at which time said owner of record, lessee, or any lienholder of record may present any evidence said person desires which would demonstrate a defense to said seizure and impoundment. The preliminary hearing may be conducted in person, over the phone or by other communication method or combination of communication methods. If the Preliminary Hearing Officer determines that said evidence supports such a defense, the Police Department may release said vehicle without further process. If the Preliminary Hearing Officer determines that said evidence does not support such a defense, then the Preliminary Hearing Officer shall proceed to a full hearing as outlined in the subsection C below.
- C. Full Administrative Hearing. If the vehicle remains impounded, and absent a determination to release vehicle, a full administrative hearing shall be scheduled within 45 days from the date of the seizure and impoundment.
1. Notice of Administrative Hearing. Notice shall be given in writing within ten (10) days after a vehicle is seized and impounded by personal delivery or by certified mail, return receipt requested to the registered owner or lessee of the vehicle and any lienholder of record, stating the date, time, location of the administrative hearing and requesting a plea of guilty or not guilty.
 2. Guilty Plea. If the owner returns a guilty plea, the matter may be disposed of without administrative hearing on the basis of the guilty plea.
 3. Hearing. If the owner pleads not guilty or fails to respond, the administrative hearing will proceed as scheduled, unless continued by order of the hearing officer, no later than 45 days after the initial administrative hearing. All interested persons shall be given a reasonable opportunity to be heard at the hearing. At any time prior to the hearing date, the hearing officer may, at the request of either party, direct witnesses to appear and give testimony at the hearing. The formal rules of evidence will not apply at the hearing, and hearsay evidence shall be admissible, but only if it is the type commonly relied upon by reasonably-prudent persons in the conduct of their affairs.
 4. Administrative Determination. After the hearing, the hearing officer(s) shall issue a written decision either sustaining or overruling the vehicle impoundment. If the hearing officer determines by a preponderance of evidence that the vehicle was used in connection with a violation set forth in this section, the hearing officer shall enter an order finding the owner of record of the vehicle civilly liable to the Village for an administrative penalty in an amount not to exceed \$500.00 and requiring the vehicle to continue to be impounded until the owner pays the administrative penalty to the Village (or to the towing firm as directed by the Village) plus fees to the towing firm for the towing and storage of the

vehicle. If the hearing officer finds that no such violation occurred, the hearing officer shall order the immediate return of the owner's vehicle or cash bond without fees.

5. Default. If the owner of record fails to appear at the hearing, the hearing officer shall enter a default order in favor of the Village.
6. Appeal. An owner may appeal the determination made by the Hearing Officer pursuant to the Administrative Review Law.

9.40.140 - Administrative Penalty.

If an administrative penalty is imposed pursuant to this section, such penalty shall constitute a debt due and owing to the Village. If a cash bond has been posted pursuant to this section, the bond shall be applied to the penalty. Unless stayed by a court of competent jurisdiction, any fine, penalty, or administrative fee imposed under this Chapter which remains unpaid in whole or in part after the expiration of the deadline for seeking judicial review under the Administrative Review Law may be enforced by obtaining a judgment in the local Circuit Court and pursuing enforcement of the judgment. Except as provided otherwise in this section, a vehicle shall continue to be impounded until the penalty is paid to the Village and any applicable towing and storage fees are paid, in which case possession of the vehicle shall be given to the person who is legally entitled to possess the vehicle or the vehicle is sold or otherwise disposed of to satisfy a judgment to enforce a lien as provided by law. If the vehicle is not retrieved within 35 days after an administrative hearing officer issues a written decision, the vehicle shall be deemed abandoned and shall be disposed of in the manner provided by law for the disposition of abandoned vehicles, as set forth in Article II, Chapter 4 of the Illinois Vehicle Code.

9.40.150 - Vehicle Possession.

- A. Except as otherwise specifically provided by law, or as set forth in this Section, no owner, lien holder, or other person shall be legally entitled to take possession of a vehicle impounded under this Chapter until the administrative penalty and any fees or costs that are applicable have been paid.
- B. A person with a lien of record against an impounded vehicle may obtain possession of the vehicle if formal foreclosure proceedings have been initiated, provided that the lienholder agrees in writing to pay from the net proceeds of any foreclosure sale, the administrative penalty, plus the applicable fees and costs imposed under this Chapter.

9.40.160 - General regulations.

- A. This Chapter shall not replace or otherwise abrogate any existing state or federal laws or Village ordinance pertaining to vehicle seizure and impoundment, and these penalties shall be in addition to any penalties that may be assessed by a court for any criminal charges.
- B. This section shall not apply if the vehicle used in the violation of law was stolen at that time, and the theft was reported to the appropriate police authorities within 24 hours after the theft was discovered.

VILLAGE OF NORTH AURORA

1. Any deviation from the requirements established in this Chapter, or failure at any time to provide reasonable, quick and efficient service may result in the temporary suspension for no more than thirty (30) days or removal of the name of such towing service from the roster upon the determination of the Police Chief.
2. The Police Chief shall provide the tow operator with written notice at least fifteen (15) calendar days prior to the effective date of the suspension/removal by delivering said notice to the tow operator's place of business. Said written notice shall include:
 - a. The effective date of the suspension/removal;
 - b. Whether the suspension/removal is temporary or permanent;
 - c. The allegations which form the basis of the suspension/removal;
 - d. The actions, if any, the tow operator may take to prevent the suspension/removal from occurring; and
 - e. The procedure which the tow operator must follow to request a hearing to appeal the suspension/removal;
 - f. That the towing service may request a hearing by submitting formal request for hearing in writing within seven (7) days from the date of the delivery of notice; and
 - g. If no hearing is requested, the suspension/removal shall stand.
3. If a hearing is requested, the Village Administrator shall act as hearing officer. The Village shall set a time for the hearing within three (3) business days of receipt the request (if the request is timely made). If the towing service is unavailable at the time provided by the Village, the Village may (in its discretion) reschedule the hearing, but the suspension/removal will continue until the hearing unless the Village is unable to provide an alternative hearing date within the next three (3) days after the initial hearing date.
4. The hearing shall be informal and provide both sides with the opportunity to present all evidence relevant to the suspension/removal. The hearing officer shall issue a written decision based upon a preponderance of the presented evidence within seven (7) days of the hearing. The opinion will be sent to the towing service's business address with a copy retained in the towing services application file. The Village or the towing service may contest the decision of the hearing officer in any manner provided by law.

SECTION 4. This Ordinance shall take immediate full force and effect from and after its passage, approval, publication and such other acts as required by law.
