

Addendum # 1 Issued February 21, 2018

Instructions

Sign the addendum page below. Return this sheet and revised **page 13** with your bid.

Summary

On August 8, 2018 the Village conducted a pre-bid meeting to answer questions. A separate document titled "Pre-Bid Meeting Q & A" summarizes these questions. Upon staff review an addendum is being issued to clarify two items in the schedule of prices. This change is described below.

Page 13.

The newly installed pole will be direct burial. As a result, Item 2 has been modified to reflect this change. Item 11 has been modified to include the Arm and mounting hardware is required as part of this item. Substitute the attached page 13 in place of the original.

Addendum 1: Return With Bid

Instructions for Schedule of Prices.

Complete the below table by placing the unit price you propose for each item, multiply by the quantity to calculate a total cost for each item. Then sum the total cost column to produce a total cost. Place this sum on the line that reads “**Grand Total Cost**”. This is sum should be transferred and written in part II of the **Proposal**.

Schedule of Prices

The schedule of prices for this project includes the pay items listed in the table below. Work included in these documents not listed in the pay items are considered incidental to the cost of the contract. Such items include but not limited to restoration, excavation, traffic control, and clean-up.
