## **Village of North Aurora Bid Specifications for Planting Parkway Trees**

### **Description of Work**

This project will include the installation of at least 100 parkway trees with the possibility of adding 25 additional trees within the Village of North Aurora. The contractor will be responsible to provide the necessary supervision, labor, materials and equipment to furnish, excavate, plant, provide mulch and topsoil, and the initial watering of the tree. The contractor is responsible for site clean-up. All excess excavated material and debris associated with this operation shall be collected and removed from the site. The contractor will be responsible for traffic control during installation operations including barricades, flaggers, or other traffic control devices necessary to create and maintain a safe work zone and consistent automobile traffic. The contractor shall provide a door hanger furnished by the Village with instructions to the resident on how to properly care for the tree.

### **Addenda to the Bid Specifications**

Addendums, if issued, will be available on the web site and must be included in the bid.

### **Transport and Inspection**

Trees shall be protected from damage during transport. The Village will provide a staging area on the east side and west side of the river. No trees or construction materials shall be stored on the street or in the right of way overnight. Village staff will go to the nurseries to select trees for planting. Scheduling of this will be done after the contract is awarded. Upon arrival staff will inspect the trees health. Trees that are judged to be damaged or unhealthy shall be returned by the contractor and a replacement provided.

### **Locations**

All planting sites will be identified and marked by the Village by the Director of Public Works, Streets Superintendent, or his designee before planting begins. The Village of North Aurora will provide a list of addresses for contractor use. The Contractor is required to contact the Village of North Aurora 24 hours before each day's work begins and provide the locations of work.

It will be the responsibility of the Contractor to contact Julie (811) or 800-892-0123 with the locations of the proposed excavations for the trees. When underground utilities are encountered, immediately call the controlling agency and the Village of North Aurora. Contractor or subcontractor will at his expense, restore to original condition all structures, facilities and other property damaged.

## **Materials Specifications**

Nursery Stock. All trees shall be healthy, vigorous and well-grown showing evidence of proper root and top pruning, single trunk, high-branched specimens suitable for use along public streets.

Root balls and burlap. All balled and bur lapped plants shall be field grown, and the root ball packaged in a burlap and twine. All trees balled and bur lapped with ball shape and size conforming to ANSI Z60.1-2014 standards. Standards can be found at [www.americanhort.org/standard](http://www.americanhort.org/standard) . Root balls shall be adequately protected at all times from sun, heat, freezing and drying.

Backfill shall be accomplished with a suitable topsoil that shall be free of stones 1 ½” in any dimension, refuse, roots, and weeds. Muddy topsoil shall not be used for planting.

Premium Hardwood Mulch shall be used to enrich and insulate the soil.

## **Planting**

Trees are to be installed in accordance with recommendations of the International Society of Arboriculture and ANSI Z60.1-2014 standards. Standards can be found at [www.americanhort.org/standard](http://www.americanhort.org/standard) .

The trees specified for planting shall be minimum of **3”** in diameter measured 6” above the burlap sack. The holes dug shall be of sufficient depth to place the root ball. The holes dug shall be under constant supervision of the contractor until the time the tree is planted. Open excavations shall be barricaded if they are left open without supervision.

When backfilling trees, the approved soil shall be free from stones greater than 1-1/2” in diameter. Soil that is found on location of acceptable quality should be used in the backfilling of the tree.

A soil berm at the edge of the root ball shall be constructed with the excess soil excavated from the hole. Excess soil that has been excavated and not used in the planting of the tree must be removed and disposed of at the contractor’s expense.

Premium Hardwood Mulch shall be placed within 24 hours of the planting of the tree. The mulch shall be placed 4 inches thick over loosened soil and no more than 1 inch over the root ball.

Stakes shall not be used unless specified by the Superintendent of Public Works or his designee.

## **Site Visit**

The contractor is encouraged to visit several site locations to understand job site conditions.

## **Additions and Deletions**

The Village of North Aurora reserves the right to add or delete trees to the contract within reason. Contract additions and deletions will be based on the unit price costs furnished in the Schedule of Prices.

## **Warranty**

Contractor guarantees that all trees remain alive and healthy until the end of the **one (1) year warranty period**. Contractor replaces, as specified at his expense, any dead trees and any trees that in the opinion of the Superintendent of Streets or his designee that has become unhealthy or unsightly. If the trees are judged to be dead, diseased, dying, or in poor health for any reason, the contractor must replace the tree.

## **Warranty Security**

As part of this project, the Village of North Aurora will require the contractor to post a refundable warranty security in the amount of \$2500 in the form of cashier's check or letter of credit in form acceptable to the Village. This security will be released after the warranty obligations have been fulfilled.

## **Time of Completion**

The project must be completed by November 1, 2020 or when ground becomes frozen, whichever occurs first. An extension in time must be requested in writing and approved by the Public Works Director or Streets Superintendent.

## **Bid Bond**

If the bidder's proposal for the project is equal to or greater than \$10,000, a bid bond or certified check in the amount of five percent (5%) of the bidder's proposal will be required. No bid bond will be required if the proposal for the project is less than \$10,000.

## **Indemnification**

The policy limits availability or unavailability of insurance coverage or the applicability of claims, defenses or limitations based upon applicable law (including but not limited to the Illinois Workers' Compensation Act or similar laws or statutes) shall in no way limit the Contractor's obligation to indemnify and hold harmless the Village from any claims for damage, liabilities or other costs arising out of or relating to the Contractor's work as outlined in this contract.

**Insurance Requirements:**

The Contractor will be required to meet our standard insurance requirements. Unless otherwise specified the Contractor shall, before commencing work hereunder, procure and thereafter maintain policies of insurance satisfactory to the Village of North Aurora. The contractor shall supply a certificate of insurance with the Village of North Aurora an additionally named insured in the following minimum amounts with specific coverage which includes underground, explosion, and collapse.
