Re: Class "L" Liquor License

Over the years, the Village has received questions from salons and stores with salons regarding giving away liquor (specifically wine) while providing a service to its customers. In Illinois, alcoholic liquor cannot be given away to the public without a transaction cost. The Village's municipal code does not have a liquor license class that allows liquor to specifically be sold in these types of establishments. Should the Village Board direct staff to create a new liquor license class, it would be a Class "L" Liquor license.

A Class "L" liquor license would permit the retail sale of alcoholic liquor for consumption on the premises of a business that primarily sells salon, hairdresser, beautician, manicure, pedicure and barbershop services. Liquor can only be purchased and consumed by people receiving these services. In establishments where these services are not the primary aspect of the business, a designated section with one way access and proper signage would be required. The annual fee for a Class "L" would be \$100.00.

Attached is a draft ordinance of a Class "L" liquor license.
