**Please Note:**

- ✓ **A copy of the State of Illinois plumbing or roofing license shall be required with ALL permit applications involving plumbing or roofing work. Any permits involving plumbing work must submit an original Letter of Intent from the plumbing contractor.**
- ✓ Applicant must submit **two (2) copies** of the current plat of survey showing all existing improvements and showing the location of the proposed work drawn to scale. If applicable, applicant must also show the distance from the lot line(s) to the proposed structure.
- ✓ Applicants must submit **two (2) sets** of the building plans for residential remodels. Plans should include all views of the proposed work; including size, top view of all floors, foundation plan, electrical and plumbing locations, cross sections, elevations, etc. Please include any additional drawings or details that may be necessary to properly describe the scope of work.
- ✓ Architect's Seal (Illinois) required on all commercial, industrial, multi-family structures and on homes of 2,000 square feet or more. **(Required by State of Illinois, Department of Professional Regulations).**
- ✓ If you are working on a structure built before 1978, contractors must be EPA Lead-Safe Certified. The Lead-Based Paint Renovation, Repair and Painting (RRP) rule is a federal regulatory program affecting anyone who disturbs painted surfaces where lead may be present. For more information about the program and certification, please visit [www.epa.gov/lead](http://www.epa.gov/lead).
- ✓ **Provide if applicable:** Permits from Fox Metro Water Reclamation District, Kane County Department of Transportation Impact Fee receipt, parking plan, and acknowledgement of construction in a flood plain.

I hereby certify that I am the owner of record or the owner of record authorizes the proposed work, and I have been authorized to act on his/her behalf as the agent. I agree to conform to all applicable laws and ordinances of the Village of North Aurora.
