

Village of North Aurora Request for Qualifications for the Annual Road Program.

Thank you for your interest in the Village of North Aurora's solicitation for Design and Construction Engineering services. We received and reviewed eleven proposals for this project. After extensive evaluation of all proposals submitted by interested firms, we have selected three firms to advance to the interview stage of the process. The firms selected are:

Engineering Enterprises Inc. (EEI),
Hampton, Lenzini, and Renwick Inc. (HLR),
Trotter and Associates Inc.

The Village will contact the selected firms to schedule interviews. The Village will conduct interviews starting September 24, 2019 and concluding on September 26, 2019.
