

Village of North Aurora Request for Qualifications for the Public Works Facility Expansion Architectural & Engineering Services.

Thank you for your interest in the Village of North Aurora's solicitation for Architectural & Engineering Services. We received and reviewed twelve Statements of Qualification for this project. After extensive evaluation of all proposals submitted by interested firms, our Selection Committee has selected two firms to advance to the interview stage of the process. The firms selected are:

Kluber Architects + Engineers
Williams Architects

The Village will contact the selected firms to schedule interviews. The Village will conduct interviews the week of August 30, 2021.
