Re: Award of Bid for 2022 Tree Replacement Program

This scope of this project includes the replacement of 100 parkway trees throughout the Village with the option of adding an additional 25 trees should the need arise. The project was advertised on the Village website on July 19, 2022. In the hope of increasing competition and awareness of the project, companies who downloaded the 2021 project specifications last year were notified directly of this project. Staff directly contacted 11 landscaping companies to notify them of the program. This year we observed that the documents were downloaded by 6 third party advertisers who then independently publish or notify interested contractors. There were 6 landscaping firms who also downloaded the specifications. From these 6 bidders 2 submitted a bid on August 9, 2022. The results are displayed in the table below. The low bidder was Acres Group in the amount of \$34,916.00.

Table 1. Bid Results

Yellowstone Landscape (Acres Group) 23940 W Andrew Road Plainfield, IL 60585	Langton Group 4510 Dean Street Woodstock, IL
\$34,916.00	\$41,845.00

Tree replacement is budgeted at \$40,000 from the General Fund from the Tree Service line item, account number 01.445.4532. Acres Group has performed the tree planting for the Village the past three years successfully. It is the recommendation of staff that the Village Board award the contract to Acres Group in the amount of \$34,916.00
